Canwest Tanks is a manufacturer of:

- Polyethylene tanks suitable for a variety of uses - above & below ground
- Fiberglass Tanks for water/ wastewater holding & septic tanks
- Lift Stations for installation in-ground & above ground
- Sewage Treatment Plants for Residential or Commercial installations
- Recreational / Work Camp Wastewater Treatment

CONTAINERIZED SEWAGE TREATMENT PLANTS

We have three (3) models of Turn Key - Mobile Sewage Treatment Plants for remote work camps:

- Model CWT25 – 25 Man Camp**
- Model CWT50 – 50 Man Camp**
- Model CWT100 – 100 Man Camp**

Certified to ANSI/NSF Standard 40
Class 1

The Treatment Plant is assembled inside the heated and insulated container.

The assembled Mobile Treatment Plant contains:

- Aerated Trash Tank
- Settling Chamber
- Reactor Unit w/ Sludge Return & Aeration Blower c/w Redundant
- Pump Chamber w/ Dbl. Pass UV Light unit & Duplex Pumps

We can make the individual Treatment Units for the end-user to install into their own container.
